NEOS

Black is the performance colour: our premium Hydra Net® radial sailcloth is now also available in an elegant black – as part of our onyx range. Therefore, it is suitable for all sailors who place the highest demands on their sails and want to combine function with a modern look.

All construction and performance parameters remain unchanged. No compromise!

From high-performance cruiser sails to demanding long-distance racing sails – Hydra Net® radial impresses with consistent performance for years to come. The proven UVi® coating provides additional protection against UV radiation and mold growth, significantly extending the service life of the fabric.

GENERAL NOTE

All suggestions are based on our worldwide experience with sailcloth applications. Please note that the recommendations are meant as guidelines. You should consider, when making your choice, if the sail will be used in a particular heavy or light wind area.

Neither Dimension-Polyant nor any of its affiliates assume any liability for special, incidental or consequential damages due to the recommendation given.

UVi® is utilized on all premium woven fabrics. It is an integral part of our finishing process and provides a significantly increased UV stability. Look for the UVi® logo.

HIGHEST QUALITY FROM THE START

Dimension-Polyant ensures the highest performance by selecting superior fibers, developing custom adhesives, and using only premium films.

IN-HOUSE MANUFACTURING

Dimension-Polyant is the only producer of high quality sailcloth in the world with its own in-house manufacturing. Sailcloth is our heritage. We maintain the highest quality with our customized equipment for weaving, finishing and laminating.

CONTINUOUS INNOVATION

Dimension-Polyant has the most dedicated R&D team, state-of-the-art facilities, and preferred access to the newest fibers, chemicals and components. Together with German and American engineering, these allow us to set the standard with new developments. We continually seek to find both sustainably sourced and recycled materials to reduce our impact on the planet.

GLOBAL REACH

Our worldwide distribution and technical support network makes Dimension-Polyant the perfect partner for your sailmaker.
